Are you looking for a buyer for your property? Put it in the best hands: ours.

Does your local retail property meet our purchase criteria? Wonderful. Don't hesitate to send us the particulars with additional property documents, such as rental lists including information about lease terms and other options and clear photo documentation, to dir-ankauf@deutsche-investment.com. We will read carefully through the documents you submitted and get in touch with you.

About Deutsche Investment Retail. Investment and Asset Manager Specialising in the Local Retail Asset Class.

Operating under the umbrella of Deutsche Investment Group, investment and asset manager Deutsche Investment Retail is the investment and asset manager responsible for the local retail segment with a focus on retail warehouses and retail parks. Based on the conviction that specialization leads to top results, a team of 12 experts focuses entirely on the retail asset class, bringing decades of expertise to the table. Founded in 2019, it has assets under management of EUR 260 million and 66 properties in its segment with its two special AIFs, launched and managed by Deutsche Investment Kapitalverwaltung AG.
